TX450S

13cm (5.25“) 2 way Compo Speakers 4Ω 70W RMS

Dimensions

- Treated paper cone coated with silvered sand for a clear midrange
- Ø25mm high definition neodymium silk dome tweeter for better details
- Aluminum phase plug to cancel stationary waves and improve the midrange
- 25mm TIL voice coil for the best sound quality
- Extra large strontium magnet for a better cone control and more power handling
- Rubber suspension for a better reliability
- Soft and musical sound with a precise high quality detailed bass
- Works fine on an original head-unit, but works better connected to the MTX TR450 or the TX2450 amp

Complementary Products

TR450 TX2450
